Eliminate all statements that are **NOT** true about your daily life, leaving only those that are **MOSTLY** true about your daily life

I have a daily routine.

People usually call me before they come to visit me.

I go to bed at all different times.

I usually get up at the same time every morning.

My friends and family drop by frequently unannounced.

I leave my door unlocked so friends and family can walk in when they come to visit me.

I usually eat my meals at the same time every day.

I like structure and order in my life.

I go for a walk just about every day.

I work all different hours.

I work the same hours every day.

I always keep my doors locked.

I am very social.

What do you think will be your greatest challenge in sharing your life with a TM?
